LEADING TRANSFORMATION

PEOPLE MATTER

- **Choose Wise Partners** - In life and in business
- **Practice Emotional Intelligence** - Tough conversations will drive breakthroughs
- **Give Away Power** - Sharing the responsibility is a relief
- **(Re)Build Your Extended Team** - They help form your world view

MONEY MATTERS

- **Forecast Conservatively** - Your gut will thank you
- **Have a Rainy Day Fund** - Or better yet, a Sunny Day fund
- **Demand Clean Books** - Cannot take the pulse without them
- **Bill Faster & Smoother** - Don't be the billing bottleneck
- **Let Your Budget Guide You** - Set it, but don't forget it...ever

MOTTO MATTERS

- **Find Your Mantra** - Purpose, lifeblood, rallying cry, True North
- **Align on a Goal Set** - Keeps everyone moving in the same direction
- **Embrace it's Bigness** - Own it, truly own it...even if that means you have to endure a rebrand

PROCESS MATTERS

- **Achieve Early Wins** - Helps gain buy in faster
- **Dispel Fears** - Talk about what worries you, share the vision
- **Share the Why** - Process is meaningless on its own, make it meaningful

YOU MATTER

- **Define Your Core Values** - And live by them
- **Abolish Anger** - The past will only hold you back
- **Be Authentic** - It is the mark of freedom and confidence
- **Enjoy the Show** - Watching others lead and thrive is rewarding
- **Rewrite your Job Description** - What is your best role? Life?

THANK YOU
